## QUADRIX – Your specialist for mobile use and a clean result.

The lightweight and compact QUADRIX L 18V vacuum cleaner for mobile use with manual filter cleaning PressClean and the efficient Eco mode.

- ▶ **Lightweight, compact cordless vacuum cleaner for mobile use, for service and assembly work, for sucking and vacuuming dust and chips**
- ▶ **Dry vacuum cleaner with commercial approval, certified according to EU directive dust class L**
- ▶ **PressClean: manual filter cleaning due to strong air flow when the switch is operated on the vacuum cleaner during work breaks**
- ▶ **With integrated blowing function for blowing out, drying and deriving the exhaust air**
- ▶ **Eco mode for longer runtime per battery charge, boost mode for maximum performance**
- ▶ **Large corner switch for easy on/off also with the foot**
- ▶ **Practical depots for second battery pack, charger, nozzles and hose (3 m)**
- ▶ **Compact design for stacking\* with the Starboxes (Tanos system) \*not lockable**
- ▶ **Robust housing with rubber protectors on the footprint for gentle, non-slip parking**
- ▶ **Easy transport with ergonomic carrying handle or strap**
- ▶ **Battery pack capacity indicator directly on the control panel of the vacuum cleaner**
- ▶ **CAS Cordless Alliance System, the cordless freedom – manufacturer-independent 100% compatibility of machines, battery packs and chargers of one voltage class – from starmix and other brands.**
